Our Mission

- The I-94 West Corridor Coalition seeks to work with residents, business leaders, and local, state, and federal policy makers to identify and rectify transportation infrastructure deficiencies along this corridor and work collaboratively to improve them.
- Building a strong cohesive coalition is critical to the success of our mission.

Priorities and Successes

Priorities

- Phase 1 - 6 Lane Completion (TH 101 in Rogers to TH 241 in St. Michael)
- Phase 2 – 6 Lane Expansion (TH 241 in St. Michael to CSAH 19 in Albertville)
- Brockton Interchange Project
- Corridors of Commerce Funding

Recent Successes

- Phase 1 selected for Corridors of Commerce Funding. Met Council passes I-94 amendment in May of 2013
- Local, State, and Federal officials celebrate I-94 ground breaking four to six lanes in St. Michael in June of 2014.
- Phase 2 received design funding from the Governor's Corridors of Commerce program in Oct. 2014.
